

WEDDINGS

ABOUT US.

Ideally situated along the A6 and perfectly nestled into the Amber river, The Hurt Arms has stood proudly for 150 years. The building retains the historic charm and character, offering sweeping views across the beautiful Derbyshire landscape.

The Hurt Arms is a perfect blend of rustic and contemporary, with the unique and stylish Tollgate Suite for you to host your special day. Our wedding suite was named after the toll house and gate that was adjoined to the Hurt Arms when it was first built by Francis Hurt in the 1870's.

Complete with a private bar, exposed brickwork and chic lighting, the Tollgate Suite encapsulates an inspiring canvas for your unique wedding day.

Outside is a raised terrace area that descends to the Secret Garden. Exclusive to you and your guests, The Secret Garden is a picturesque setting to enjoy drinks or outdoor cuisine from our vintage horse box, recently converted into a unique outdoor bar and serving area.

We have six individually designed en-suite rooms for you and your wedding party. All with king size beds, crisp sheets, premium toiletries, gowns and slippers for a finish to the evening of luxury and tranquillity.

You will spend your wedding night in our honeymoon suite, a premium hideaway on our top floor complete with roll top bath and a super king size bed.
